**Fall IC Industry Forum Returns to Silicon Valley**  
*Conference to review latest market research and outlook*

**Scottsdale, Arizona — August 2, 2006** — IC Insights is pleased to announce its third annual Fall IC Industry Forum to be held from 9:00am to 12:00pm on September 21, 2006 at the Radisson Inn Sunnyvale in California.

The Fall Forum provides an opportunity to assess the current state of the IC industry, to project where it will be at the end of 2006, and to prepare your business for 2007. IC Insights will present a clear and logical explanation of and discuss the assumptions behind its current five-year industry forecast. Capital spending trends, the global business outlook, as well as economic and political triggers for growth will all be reviewed and shown how these may impact the IC industry. The forum is designed to be highly interactive, and participants are urged to bring their questions.

Join IC Insights on Thursday, September 21 at the Radisson Inn Sunnyvale for this exciting and informative meeting. IC Insights clients pay just \$195; others, \$295. For more information, call 480-348-1133 or visit <http://www.icinsights.com/events/fallforum/fallforum.html>.
