Fall Forecast Seminar to be Held in Silicon Valley
Meeting to review latest market research and outlook

Scottsdale, Arizona — August 13, 2007 — IC Insights is pleased to announce its fourth annual Fall Forecast Seminar (formerly known as the Fall IC Industry Forum) to be held from 9:00am to 12:00pm on September 20, 2007 at the Sheraton Sunnyvale Hotel in Sunnyvale, California.

The Fall Forecast Seminar provides an opportunity to assess the current state of the IC industry, to project where it will be at the end of 2007, and to prepare your business for 2008. IC Insights will present a clear and logical explanation of and discuss the assumptions behind its current five-year industry forecast. Capital spending trends, the global business outlook, as well as economic and political triggers for growth will all be reviewed and shown how these may impact the IC industry. The seminar is designed to be highly interactive, and participants are urged to bring their questions.

Join IC Insights on Thursday, September 20 in Sunnyvale for this exciting and informative meeting. IC Insights clients pay just \$195; others, \$295. For more information, call 480-348-1133 or visit <http://www.icinsights.com/events/fallforecast/fallforecast.html>.
